DIRECTIONS

METRO

Take the Metro to the Crystal City Metro Station (Yellow or Blue Line) and exit at the Crystal City Metro Station. Go up the escalator to the street level and turn left at the top (you will be facing South Bell Street, which is a one-way street). Walk down the sidewalk against the one-way traffic to 15th Street. The hotel will be directly across 15th Street.

From Ronald Reagan Washington National Airport:

Follow the signs for Route 1–Route 66 out of the airport to Route 1 toward Washington, DC. Take Route 1 North to the exit for 15th Street. At the end of the ramp, make a right onto 15th Street, which will end at Crystal Drive. The hotel will be on the left.

From Dulles International Airport:

Take Route I-66 East (Washington). Take Exit 75 (Route 110 South, Pentagon/Alexandria). Continue on 110 South for approximately 2 miles (the Pentagon is on the right-hand side). Take Route 1 South and stay to the right; take the 15th Street/Pentagon City exit. Turn left onto 15th Street, go under two bridges, and move to the left lane. Proceed beyond the traffic light (Crystal Drive), veer to the left, and turn left into the hotel driveway.

From I-95 North:

Take I-95 North. Exit onto I-395 North via Exit 170A, on the left, toward Washington. Take the VA-120 South/Glebe Road exit (Exit 7A). Bear right onto Glebe Road/VA-120. Turn left onto Jefferson Davis Highway/US-1 North. Take the 15th Street/Pentagon City exit. Follow 15th Street to Crystal Drive. Proceed beyond the light. The hotel will be on the left.
